FROM THE PRINCIPAL'S DESK

Don't be afraid of change. You may end up losing something good,
but you'll probably end up gaining something so much better.

ONLY 24 DAYS UNTIL THE START OF THE FINAL EXAMS....

ANNUAL GENERAL MEETING: 18 OCTOBER 2021

Thank you to each Riebie parent who attended our annual general meeting. We had 200 parents who were part of our AGM and easily achieved the 15% quorum on the first attempt!

The reports for 2021 and the budget for 2022 was presented. Parents also voted for the resolutions for 2022. 11 resolutions were presented and 99% of our parents voted and 98% positive (YES) votes were recorded.

The Riebie community once again proved that we are proud of our school and stand together "no matter what".

TRAFFIC AROUND THE SCHOOL

There are large volumes of traffic moving around the school during peak hours and if motorists do not observe sound judgment, it poses a threat to the safety of pedestrians and other motorists. Your children are our learners and ultimately our most precious assets, and their safety and security are of utmost importance. We therefore make an urgent appeal to all parents to adhere to the rules of the road, especially when driving around the school.

We have been in consultation with the Traffic Department since 2018, regarding the traffic congestion around the school during peak hours. The Traffic Department is thus far of the opinion that a permanent one-way direction around the school, e.g., 24 hours, will pose a bigger risk since it will increase the speed of the traffic which could cause more accidents, or rather more serious accidents. We have been made aware that the EMPD drives around the school occasionally to monitor the traffic, and that they are also policing road traffic infringements during these times. Please make sure that you do not violate the traffic rules.

We share the road around the school with all motorists and it is therefore important that especially homeowners around the school, who must also enter and exit their residences, should be taken into consideration when we drive around the school or even when parking. Even though we drive in one direction around the school to make life easier for ourselves, we should not lose sight of the fact that, in terms of the Road Traffic Act, it is still a two-way road. With patience and respect for our fellow citizens, 99% of frustrations behind the wheel will disappear.

A big thank you to the majority of parents who drives around the school in a one-way direction during the mornings and afternoons. It appears to be effective in the relief of traffic congestion. We request everyone to kindly maintain this practice.

I trust that the school can rely on your cooperation. Let us do this not only for ourselves, but also for our children.

Thanking you in advance for your support in this regard.
