Current Grade R learners who applied at the school and will be enrolling at the school, will start receiving enrolment documents during the next few weeks (**in phases**). Please bear with us, due to these circumstances not within the school's control, and while we are awaiting confirmation from the GDE.

The school will communicate with parents regarding the official Grade 1 enrolment process, as the school receives information from the Department.

As you are aware our time is limited, due to the departmental online enrolment and placement process taking place later than usual. We would like to streamline the process as much as possible in order to continue with the arrangements for the parent information session, etcetera (tentative date is 2 December 2021).

All other information regarding the enrolment process, as well as Grade 1 parent information, stationery lists, etcetera, will be communicated to parents before the end of November.

If you have any uncertainties or queries, please send an email to naomi@riebe.co.za

Please also keep checking the school newsletters and the d6 for further information in this regard.
