1. STAFF MESSAGE

YOU SPELL LOVE... T - I - M - E

A good parent-child relationship requires focussed attention (quality) and ample time together (quantity). Your child does not only want you to be present. He/She wants to know that you enjoy spending time with him/her. Chase your child, tickle and tease him/her, laugh together!

The problem is our lack of time, but how we spend our time. Although a lot of parents feel they have to work long hours to put food on the table, research shows that most of us work to have the latest "goods" in the garage... .

Remember: You have a choice. You ultimately choose your job and how challenging it is. You agree to work overtime. For your child's sake, you should make the right choice.
