## FROM THE PRINCIPAL'S DESK

*"All successes begin with self-discipline. It starts with you."*

*~ Dwayne Johnson ~*

### ACADEMICS

Despite a large percentage of schools still struggling to manage their academic programs, we would like to give parents the assurance that the academic program at the Riebies is progressing well.

We are extremely busy, and it is very important that parents are aware of their child's progress and the assessments that the school is busy with.

Remember: "Planning takes the crisis out of management".

We ask parents to assist their children in drawing up a "healthy" study roster, wherein the child can study, do homework, follow the busy extramural program, and also have sufficient time to relax.

Thank you to all the learners and parents who are serious about academics. It is our primary goal at the school to motivate each learner to his/her optimal academic ability. Remember... high inputs lead to high outcomes.

Parents must please scrutinize learners' workbooks, to monitor their academic progress.

### EXTRAMURAL ACTIVITIES

The extramural department is a "beehive" of activity. The school's sport teams (boys and girls) are participating in various sports: Hockey, Cricket, Tennis and Cross-Country.

On the culture front, coaches and learners are already working hard in preparation of the upcoming eisteddfod, choir and revue events.

I would like to thank every Riebie parent and coach for promoting a healthy spirit in which our sport teams and culture groups can participate.

*Let your children inherit your values and standards....  
That way you, as parent, will always be kept alive in their existence.*

## **SAFETY OF LEARNERS**

As you are aware, the safety of learners and the security at schools have once again been placed under the spotlight in the media lately.

I am making an urgent appeal to parents not to let their children loiter around the school in the afternoon after the school closes. Learners must **either** be fetched on time after school; **or** parents must consider enrolling learners at the After-School Centre. The school cannot guarantee the safety of learners who wait outside the gates until late afternoon.

We have an excellent After-School Centre with sufficient supervision. Learners are given the opportunity to do their homework under supervision, and a healthy meal is prepared and supplied daily.

The safety and well-being of our school's learners are of utmost importance to us.

Please feel free to contact the school for more information regarding the Riebie Rakkers After-School Centre.

*At the end of the day, the most overwhelming key to a child's success  
is the positive involvement of parents*

*~ Jane D Hull~*
